2017

The diagram illustrates the structure of a research paper. It consists of a horizontal bar divided into six segments, each representing a different section of the paper. The segments are labeled as follows:

- 1. Introduction
- 2. Theoretical Framework
- 3. Methodology
- 4. Results
- 5. Discussion
- 6. Conclusion

The 'Results' segment (4) is highlighted in a darker shade of gray, indicating its importance in the research process.
